Proposals will be received for the delivery of said goods at Boston
New York, Philadelphia, Baltimore, New Orleans, St. Louis, Memphis
or Cincinnati; but in considering the birts, the cost of the transports
tion of the same to their respective deviations from the places proposed to be delivered will form an element in deciding upon the proposeds.

posals.

The right will be reserved to require a greater or less quantity of any of the articles named than that specified in the above schedule; and also any others of a different description that may be needed, at the boxest market prices.

Goods of American manufacture, of the required styles and quality, will be preferred: but as the samples of blankets and clother are foreign fabrics, it will be necessary, in proposing a denostic article of either of those kinds, that a sample thereof shall accompany the tid.

either of those kinds, that a sample thereof shall accompany the bid.

The articles to be furnished must, in all respects, conform to and be equal with the sampler recently selected, which may be seen at this office. They will be ruisdly inspected and compared with those samples of an agent or agents approinted for that purpose. Such as may be unequal thereto in any particular will be rejected; in which case the contractor will be bound to furnish others of the required kind or quality within three days; or, if that be not done, they will be purchased at his expense. Payment will be made for the goods received on invoices thereof, certified by the agent or agents appointed to inspect them. It will be understood that all bids for furnishing the goods above specified may be rejected at the option of the department, particularly if rande by one who is not known as a manufacturer of, or regular dealer in, the article proposed to be furnished; which fact, or the reverse, must be distinctly stated in the bids offered; and that the bids of all persons who may have failed to cointyly with the conditions of any contracts they may have previously entered into with the United States shall, at the option of the department, be rejected, in accordance with the letter and aprirt of a Joint vesolution of Congress relative to bids for provisions, clothing, &c., for the use of the navy, approved 27th Amerik, 13th.

Bonds will be required in the amount of the bid for the faithful person.

March, 1894. nds will be required in the amount of the hid for the faithful per ance of the contract, with two or more surelies, whose sum y must be certified by a United States judge or district at

primance of the contract, with two or more superies, whose sufficiency must be certified by a United States judge or district attorney.

The proposals must embrace the articles, with the quantities there of, as they are arranged in the foregoing schedule, with the prices annexed to each, in dollars and cents, at which they will be furnished, and the amounts must be carried out not footed up for each class. They should be submitted with the following heading:

"I (or we) hereby propose to furnish for the service of the Indian department, and according to the terms of its advertisement therefor, dated October 13th, 1857, the following articles, at the prices thereto affixed, there insert the tits according to the class or classes proposed for J deliverable in the city of Roston, New York, Philadelphia, Bultimore, New Octans, St. Louis, Remphis, or Clacelmant, as the case may be jby the first day of April next, or at such time or times during the year 1858 as may be ordered by the Commissioner of Indian Affairs, and I (or we) will also furnish, at the same prices, such additional quantities of the same kinds and qualities of goods, and at the lowest market prices, such other and qualities of goods, and at the lowest market prices, such other articles of a different description as may be required for the same kinds and qualities of goods, and at the lowest market prices, such other articles of a different description as may be required for the survive of the Indian department during the year 1856, deliverable as above a stated; and if this proposal proceepted, there insert the words, in whole or in part, if more than one class be proposed for J I for well will, within twenty days thereafter, execute a contract accordingly, and give security, satisfactory to the Commiscioner of Indian Affairs, for the faithful performance of the same." [Here insert whether the party proposing is or is not a manufacture or requiral reader in the article proposed to be furnished.]

Each proposal frust also be accompanied by a guarante

the Indians may suffer by reason of failure so to do on the part of the said bidder, for bidders. "I said bidder, for bidders." "I no proposal will be considered that does not strictly conform to the terms and directions of this neverthement.

By order of the Secretary of the Interior: CHARLES E. MIX.

CHARLES E. MIX.

Washington Aqueduct. Orrics of the Washington, March 5, 1857.

PROPOSALS are invited for materials and work for the Washington aqueduct.

Proposals received up to 7th May will be opened at noon of that

tet will be ready by Calamana and April next.

The work to be let will embrace masoury of some of the bridges, graduation, excavation, and embankment of reservoirs, iron pipes connected with the reservoirs, 12-inch iron main, gate houses, bricks, sand, rubble, and cut stone, &c.

For the particular works and materials reference is made to the

gone.

Feynments will be made in specie checks upon the United States treasury upon the monthly estimates of the engineer, reserving 10 per cent., and it will be a condition of all contracts that the workman shall be paid their full wages meatthy, and in specie.

All bids should be seated, and outdorsed "Proposals for work or materials on the Washington Aqueduct."

COMPLETION of Panama Railroad.—Reduction

COMPLETION of Panama Railroad.—Reduction of fare to California.—United States mail steamships leave New York for Aspinvall on the 5th and 20th of each mouth, connecting with mail steamers from Fanama to San Francisco.

Those steamers from Fanama to San Francisco.

Those steamers from Fanama to San Francisco.

The Tanama railroad (47 miles long) is now completed from ocean to ocean, and is crossed in 3 or 4 hours. The beggage of passengers are checked in New York through to San Francisco, and passengers are combarked at Panama by steamer at the company's expense. The money paid in New York covers all expenses of the trip.

Reserve stamers are kept in port in New York, Panama, and San Francisco, to prevent detention in case of accident, so that the route is entirely reliable.

Passengers leave Fanama the same day they service at Aspinwall. Conductors go through by each steamer, and take charge of women and children without other protectors.

For through tickets at the lowest rates apply at the agency, 177 West street, New York, to

I. W. RAYMOND.

For Kansas and Missouri River.

THE PACIFIC RAILROAD is now running two daily trains between St. Louis and Jefferson city, connecting with the "Lightning Line" of Missouri-river packets, that heavest offerson city daily on the arrival of the express train, carrying the mails and passengers for Booneville, tilasgow, Lexington, Kansas, Leavesworth, Weston, St. Joseph, and all intermediate points.

Through from St. Douts to Kansas in 48 hours, and from 24 to 36 narough from St. Louis to Kanasa in 48 hours, and from 24 to 36 hours aloual of boutes starting from St. Louis.

The Lightning Line packets are equal to any bouts in the trade, and, being required to ruo on achedule time with the malis, passengers are never delayed waiting for freight at towns on their way. Through tickets can be purchased in the principal cities of the United States, or at the offices in St. Louis.

T. McKNRUK,

Proposals for Furnishing the Paper for the Pub-lic Printing.

Washington, October 1st, 1897.

N pursuance of the provisions of the 'Act to provide for executing the public printing," ac., approved August 1892, scaled priphicals will be received at this office, in the Capid, until the first Monday (7th day) of December next, at week, clock, m., for furnishing the paper that may be required for the pole optiming for the year ending on the 1st day of December, 1888. The subjected list specifies, as nearly as can be accertained, the untilty, quality and description of each kind of paper that will be re-

10,000 reams fine printing paper, uncalendered, to measur

Class II. Utan III.

5,000 reams superfine sized and calendered printing paper, to mea-rs 24 by 38 inches, and to weigh fifty-two pounds to the ream of Clan IV.

1,000 roams superfine sized and calendered map paper, of such sizes as may be required, corresponding in weight with paper meas-uring 19 by 24 inches, and weighing twenty pounds per ream of 450 theets.

Class VI.

200 reams superfine plate paper, (calendered or uncalendered, as may be required.) 19 by 24 inches, and of such weight per ream as may be required.

The fibre of the paper of each of the above classes to be of linen, and cotton, free from all adulteration with mineral or other substances, of a fair whiteness, and put up in quires of twenty-four sheets each, and in bundles of two reams, each, each ream to contain 489 perfect gheets. Uniformity in color, thickness and weight will be required; and no bundle (exclusive of wrappers) varying over or under five per cent. from the standard weight will be received, and the gross weight will, in all cases, be required. Mixing of various thicknesses in the same bundle to make up the weight will be considered a violation of the contract.

Class VII.

No. 1—1,500 reams quarto pest writing paper;
No. 2—2,000 reams flatcap writing paper;
No. 3—500 reams flotic pest writing paper;

No. 5—500 reams role pest writing paper;
No. 5—500 reams super-royal writing paper;
No. 7—50 reams super-royal writing paper;
No. 5—50 reams super-royal writing paper;
No. 9—100 reams colored medium (ascorted)

y eight pounds per ream.

No. 2—1,500 reams writing paper, 19 by 26 laches, to weigh tweny-three pounds per ream.

No. 3—3,100 reams writing paper, 15 by 25 inches, to weigh tweny six pounds per ream.

No. 4—100 reams writing paper, 18 by 22 inches, to weigh twentyour pounds per ream.

No. 5—340 reams writing paper, 18 by 18 inches, to weigh twenty-

No. 1-5,000 reams writing paper, 19 by 26 inches, to weigh twen

No. 4—100 reams writing paper, 18 by 22 inches, to weigh twentyfour pounds per ream.

No. 5—30 reams writing paper, 18 by 18 inches, to weigh twentytwo pounds per ream.

No. 6—400 reams writing paper, 12 by 18 inches, to weigh twentypounds per ream.

All the papers designated in classes 7 and 8 are to be of the test
materials, free from adulteration, and finished in the best mature.

All the papers designated in classes 7 and 8 are to be of the test
materials, free from adulteration, and finished in the best mature.

The papers in class 7 are to be white or blue, of the regular standard
sizes of the respective kinds, and of such weights as may be required by this office; those in class 8 are to be white, and of the sizes
and weight specified in the schedule.

The right is reserved of ordering a greater or less quantity of each
and every kind contracted for, at such times and in such quantities as
the public accretion may require.

Each class will be considered separately, and be subject to a separate contract; but bidders may offer for one or more of the classes in
the same proposal; and the privilege is reserved of requiring a bidder
who may have more than one class acetigated him to take all such
classes, of forfeit his right to any class.

Samples (not less than one quire) of each kind of paper bid for,
and but one sample of each kind, must accompany each bid; and, in
classes 7 and 8, be numbered to correspond with the number of the
paper proposal and samples must be transmitted to this office free of poctage or other expense.

Each proposal must be signed by the individual or firm making it,
and must specify the price per pound (and but one price for each) of
every kind of paper contained in the class proposed for.

All the paper in the several classes must be delivered at such place
or places as may be designated in Washington City, in good order, free
of all and every extra charge or expense, and subject to the inspection, count, weight and measurement of the Superintendent, and be in
less s

A. G. SEAMAN,
Oct 1—2awtDec1 Superintendent of Public Printe PROPOSALS FOR SUPPLIES.

Oct 30—Iaw4w Postmaster General.

Postmaster General.

MRS. M. A. KNIGHT having taken the commodictor and well-known bouse, No. 447 Pennsylvania avenue,
(south side, between 3d and 4½ streets, nearly opposite "Washington House,") is now causing it to be completely removated,
and fitted up with new and elegant furniture, subable for a first-class
"boarding house."

Mrs. Knight, having find considerable experience in the business in
Baltimore, teels confidence in offering inducements to gentlemen and
their wives, and members of Congress, (being contiguous to the Capitol.) to call and examine her accommodations before locating for the
winter.

OFFERED FOR SALE TO THE PUBLIC IN LOTS THIS property has been held under an act of in corporation since Isia. The chartered projects then question Isia (I has a compared to the charter at \$100 cach. The subscriber baving subsequently reacquire at \$100 cach. The subscriber baving subsequently reacquire.

Norm.—1. All the streets are 60 feet wide, and run north and south, east and west.

2. Each square, in the plan, fronts 250 feet on streets running east and west, and 220 feet on streets running north and south, and (with its portion of the streets and alley) contains about its oscions.

3. No payment of even the \$10 is required till it to accertained, by the number of subscribers, that a city is to be built; in which event the value must greatly exceed the cost.

4. In the partition the 10,090 lots will be represented by tokens, with the number of square after of lot off cach. These tokens will be put in the same vessel with 2,600 similar ones, marked "1, share of stock." In another vessel subscribers' names will be put, (each name repeated according to the number of shares be may have laken,) and in the drawing, as in the division of large estates among numerous heirs, each will thus have an equal chance with any other of getting a share of Spring tock, or the more highly valued for.

The 2,500 who got the shares of stock will, for the aggregate sum of only \$25,000, get the 65 acres, including the Suiphur Spring, the buildings, (assessed at \$80,000,) and the furniture.

Those who get suitable building losts for large hotels may be still more successful, while those least fortunate will get building losts of 25 by 100 feet, that must be worth, as the population increases, much more than the cost.

by 100 feet, that must be worth, as the population increase, more than the cost.

5. Subscription lists and lithographic plans of the proposed city are left at most of the bookstores and other public places in this city. The agents having them can become the representatives of the respective subscribers, and in surrendering the lists can get assurance of the subscribers, and in surrendering the lists can get assurance of the leeds. The payments and the disaving are desired to be at the same time, or the subscription may be deposited in any solvent bank, to be paid to Robert Hadgin on the day of partition.

Letters to the subscriber in this city will receive attention from Ang 1
